

## YOUR FACILITATOR

Kristine Ballard is a practicing artist and arts educator. She is also an experienced graphic designer and studio manager working in the design industry for over 30 years, designing and managing large art studios. She ran a partnership in the Northshore School of Art for over a decade and was the Arts Presenter of EDTV. She now specialises in one-to-one art classes and conducts art retreats and workshops while working as a full time artist.

In her own art practice Kristine exhibits regularly in exhibitions and shows and has completed art residencies in New York, Venice, Fiji and Monsalvat, Australia's oldest art colony in Victoria.

Kristine brings her unique combination of design and fine arts experience to present you with workable tools that can fast track your own creative process and provide you with positive productive outcomes in your own art practice.

## MASTER YOUR MAJOR WORK ART PLANNING & INSPIRATION

For year 10 and 11 students and students who want to build a cohesive body of work

***Tips, tricks and tools on how to get really good at mastering and managing your artmaking (without having a melt down in the process).***

Creating a major work can be pretty stressful. And if you want it to be good you need a plan. These workshop sessions will help you manage the development and execution of your major work. The focus of the workshop is to learn how to source ideas and create a unique view point. Understand the best ways to translate those ideas into artworks that you can be proud of.

Learn how to brainstorm, plan your progress and keep on track like a pro. You'll also get some studio time with a few mini art projects to help kick start your ideas. Wouldn't it be great if your major work was finished before the deadline?
